ROOF OF STEAM PLANT IS DESTROYED BY FIRE

Most of Roof Restored Same Day.—Little Interruption in Heat Service.

(By Jos. B. Johnston)

It was early one Saturday morning. I had just finished reading the paper and turned back for a second look at the weather reports when the telephone rang. The weather report said: "Colder tomorrow, with possibly rain or snow". The telephone call was to tell me that something was on fire on the Orphanage grounds. In less than five minutes, I was at the scene of the fire. It was the boiler house, our central heating plant—a place that visitors very seldom see, a place that we very seldom think about. Only one person works there, ordinarily, and for the most part, we just forget about it and accept our warm buildings as a matter of course, just as we accept the sunshine and the air.

When I arrived the fire had gained so much headway that the best the fire-fighters could do was to keep the wreckage from destroying any of the machinery in the boiler-house. The fire had started from an accumulation of dust on the smoke flue which leads from the boiler house to the stack, and this had ignited the woodwork in the roof.

Our volunteer fire department and the Statesville fire department did good work in checking the flames although the building was not saved. All the woodwork, except the doors and windows, was destroyed. It was far enough away from all the other buildings so that no uneasiness was felt as to the spread of the fire, and since it was not a very spectacular blaze, no apprehension was felt over the results, but there kept recurring to my mind that weather report. Also, something that a number of people had noticed: That every Sunday since the Sunday before Christmas, there had been snow on the ground at Barium Springs. Usually it was falling snow; and that condition without a central heating plant would be about the most disastrous thing that could happen at the Orphanage.

We all enjoy our snows here. We love to get out and snowball, to build snow men, to coast and skate on it when it is frozen, but our enjoyment is based on the realization that we can always run back in the house and warm up when we get cold. Now if something should happen to our buildings so that we could not go back to get warm, the snow, instead of being something to have fun with, would be something to be terribly afraid of; and that was the possibility that loomed in the destruction of our central heating plant.

I communicated my fears to our carpenter, to Mr. Lowrance, Mr. Grier, and to the rest of our workers and larger boys; and then things commenced to happen. Be-

New Posters Ready

Over 1000 new posters, to be used by Sunday Schools devoting an Offering each month to the Orphanage, are now in the process of being printed, and any Sunday School, whose old posters are worn out, soiled or have been misplaced can obtain new ones by writing to Ernest Milton, Treas., Barium Springs, N. C. Kindly note how many different sets will be needed for the various departments.

The new posters will have "BARIUM SPRINGS OFFERING NEXT SUNDAY" on one side and on the other side will be printed "BARIUM SPRINGS OFFERING TODAY". One piece of cardboard is being used for the new ones; formerly two separate posters were prepared. One side of the new poster can be displayed on the Sunday before the Orphanage Offering and the poster can be reversed on the following Sunday.

BASKETBALL TOURNEY IS STAGED IN FEBRUARY

Girls of Catawba and Boys of Sharon (Mecklenburg) Were Title Winners

The girls' basketball team of Catawba high school, and the boys' quintet of Sharon (Mecklenburg) high school successfully battled their way through the fifth annual Mid-Piedmont Basketball Tournament, staged at Barium Springs, and were crowned champions after the concluding battle on Monday night, February 24th. The tournament started Thursday, February 20th, with 32 teams entered from 11 different counties.

Catawba's girls duplicated their feat of a year ago when they won the title for 1935. The final tussle was with Scotts' girls, whom the defending champions defeated, 35 to 27. A last-quarter comeback in which Catawba accounted for 12 points while limiting Scotts to a single field goal, enabled them to win. Prior to the title struggle, the winning girls had defeated Cornelius, 26 to 12; Banoak, 33 to 29, and Mocksville, 32 to 28.

Sharon (Mecklenburg) defeated the defending champions, Catawba's boys, for their first title in the tournaments. The winning team of the boys' division likewise put on a spurt in the final period, though they were leading by four points when it opened. In the closing eight minutes Sharon scored 15 points to Catawba's 9, for a final reckoning of 35 to 25 in Sharon's favor. To win the championship Sharon had previously defeated Woodleaf, 15 to 11; North Brook, 31 to 21, and Scotts, 28 to 20.

Little, of the Catawba girls, was high scorer among the sextettes.

200 CHURCHES EXCEED SUMS GIVEN LAST YEAR

This Was Accomplished in 11 Months.— 324 Yet to Equal 1934-1935 Amounts

The records of exactly 200 churches in the Synod of North Carolina on February 29th showed that they have contributed more to the Orphanage in the 11 months of 1935-1936 that had passed than in the 12 months of the previous year, while there were 324 churches or mission points in the Synod which had yet to equal last year's total. These 324 churches needed to give $14,965.81 in the final month of the year to come up to last year's mark.

The 200 churches ahead of last year were divided between Albemarle with 12, Concord 24, Fayetteville 28, Granville 19, Kings Mountain 17, Mecklenburg 39, Orange 21, Wilmington 23, and Winston-Salem 17.

Of the 324 churches behind last year, there were only two as much as $1,000.00 less than the 1934-1935 total, two behind more than $500.00; three in arrears as much as $250.00; 16 over $100.00 less than last year; 18 as much as $50.00 under the 1934-1935, leaving 283 that lacked $50.00 or less of attaining last year's mark. Of these, 125 were between $10.00 and $50.00; 131 lacked less than $10.00, and 27 lacked less than $1.00 of coming up to last year's aggregates.

If every one of these 324 churches could come up to last year's sum in this closing month, the Orphanage would receive an enormous income in the Loyalty Month, because most of those 200 already ahead will send contributions in March, too. Three or four thousand dollars will be forwarded by these 200 exceeders.

The 324 churches, arranged according to Presbyteries and the combined amount they are behind follows:

Presbytery	No. of Churches	Amount Behind
Concord	39	$5,101.14
Mecklenburg	46	1,973.73
Winston-Salem	27	1,831.07
Fayetteville	60	1,798.19
Wilmington	43	1,203.86
Orange	43	1,192.31
Kings Mountain	19	757.85
Albemarle	25	606.56
Granville	22	501.10
TOTALS	324	$14,965.81

The 200 churches ahead on February 29th were:

Albemarle Presbytery—Anderson, Bear Grass, Farmville, Grantham, Greenville, Howard Memorial, Kinston, Nahalah, Runnymeade, Snow Hill, Williamston, Wilson First.

Concord—Beattie Memorial, Bethesda, Bridgewater, Cleveland, Clio, Clinchfield, Concord Iredell, Concord Second, Conley Memorial, Davidson, Glen Alpine, Gilwood, Kannapolis, Landis Chapel, Lenoir, Marion, Park Place, Poplar Tent,

Notice Treasurers

All treasurers of Churches, Sunday Schools and Auxiliaries are urged to place the final checks for the Orphanage in the mail not later than the morning of March 30th so that the contributions can reach the Orphanage on March 31st, the date when the 1935-1936 fiscal year ends. It will be impossible for some few checks to reach the institution by the 31st, and the receipt books will be open a few days to receive these. However, it is hoped that the majority of the funds will be received by the closing date, and that final receipts the early part of April will constitute only a small part of the income for the Loyalty Month.

New Feature to Begin

Plans are being made to inaugurate a monthly feature, starting with the May issue of The Messenger. The idea is to devote a portion of each issue of the paper, whenever space permits, to one of the departments of work at the Orphanage and to use photographs wherever possible. This was done a number of years ago, but there are so many new readers of The Messenger that the repeating of this seems advisable. It was a feature that created considerable comment when originally used.

It will take around 14 issues of the paper to complete this series, since there are that many departments at the Orphanage, and when the series has been finished it is expected to arrange this in booklet form, from which Auxiliaries and Sunday Schools can obtain material for future presentation to their respective organizations.

STIRRING SPEECHES ARE DELIVERED AT MEETING

Of Men-of-the-Church of Concord Presbytery.—Good Attendance Despite Weather

Despite the inclement weather on the night of February 13, 53 ministers and laymen from churches in Concord Presbytery gathered at the Presbyterian Orphans' Home for the annual meeting of the Men-of-the-Church, and listened to two stirring addresses by Rev. T. C. Cook, pastor of the Second Presbyterian church of Salisbury, and Rev. A. S. Johnson, D. D., pastor of the First Presbyterian church of Charlotte. In addition to the outside visitors there were 23 present from Little Joe's church at Barium Springs.

Rev. R. A. White, D.D., pastor of the first Presbyterian Church of Mooresville, presided and after prayer by Hon. Z. V. Turlington, of Mooresville, the meeting was turned over to Rev. W. H. Goodman, pastor of the Kannapolis church, who is chairman of the stewardship committee of Concord Presbytery. He presented Rev. Mr. Cook who spoke on the subject, "Making a Tramp Out of God."

"How can a man make a tramp out of God?" he asked and answered that with another question, "How do you treat a tramp when he comes to your door?" The answer was that people give tramps the left-overs, the leavings, after "we have met our own selfish desires, after we have met all of our own needs." That's the way people are treating God, emphatically asserted the speaker. "It's a tragedy to treat Him like some old stray dog by giving Him the scraps after we have had our fill."

Mr. Cook proceeded to speak upon some of the things that take time to be properly done, that are worthy of more than the left-overs. Among those mentioned were prayer, the studying of God's Word, preparation for the tasks that people are asked to perform, and administering of money.

He said that people fail to get something out of prayer because they failed to put anything into it. "Most of you no doubt say your prayers at night when you are exhausted and tired—you devote the left-overs to God." The same thing applied, he felt, to the reading of the Bible, and likewise in the preparation of Sunday School lessons and other tasks. In reference to money he said that most people pay all their bills, enjoy all their pleasures, and if any money is left over after this they

BARIUM WRESTLERS WIN TITLE FOR THIRD TIME

Gaskill, D. Spencer, R. Spencer and Captain Flowers Are Individual Champions

(By Alwyn Morrison in The Statesville Record).

Coach Buck Jackins' Barium Springs High wrestling team successfully defended their State Championship in the annual high school wrestling tournament completed Tuesday, February 11th, at Chapel Hill in the "tin can" gym, before a large crowd of interested spectators.

Triumph in the wrestling tournament was the third for Barium Springs and gave the Presbyterian Orphanage team permanent possession of the trophy first offered six years ago. Durham also had two legs on the trophy and staged a great but losing battle in its effort to nose out the Barium boys. Barium won with 41 points—just four more than Durham could accumulate. Other teams' scores: High Point, 28; Thomasville, 9; Greensboro, 0.

Barium Springs furnished four of the individual champions including D. Spencer. 135, and R. Spencer, 145, brothers; Gaskill, 125, and Captain Flowers, 145.

Barium Springs High grapplers accumulated 25 points for the opening day's work, Monday, February 10th. Durham, with 22, was second. High Point scored 20 points and Thomasville scored 9. Greensboro failed to score.

The following is a summary of Monday's program, in the weights in which Barium had players entered:

155-pound class—Flowers, Barium Springs, defeated Yates, Greensboro, decision.

108-pound class—Evans, High Point, defeated Norman, Barium Springs, decision.

115-pound class—Parks, High Point, defeated Bosworth, Barium Springs, decision.

125-pound class—Gaskill, Barium Springs, defeated Gregory, High Point, fall in 4:45.

135-pound class—D. Spencer, Barium Springs, defeated Purdue, Thomasville, decision.

145-pound class—R. Spencer, Barium Springs, defeated Langston, Greensboro, fall in 2:17.

155-pound class—Flowers, Barium Springs, defeated Westmoreland, Thomasville, decision.

165-pound class—Barnhill, Barium Springs, defeated Morrow, High Point, decision in extra period.

The summary of Tuesday's wrestling finals:

125-pound class—Gaskill, Barium Springs, won decision over Myers, Thomasville, time advantage, 3:00.

135-pound class—D. Spencer defeated Evans, High Point, decision.

145-pound class—R. Spencer, Barium Springs, threw Pitts, High Point, in 3:02.

155-pound class — Flowers, Barium Springs, threw Huckabee, Durham, 4:00.

165-pound class—Lucas, Durham threw Barnhill, Barium Springs 3:45.

Under the system of scoring for the wrestling meet, five points were awarded for a victory by a fall; three points were awarded for a victory by time decision.

Nine Dual Victories

In addition to their excellent performances in the state wrestling meet, the Barium boys won nine dual matches during the season, twice defeating Salisbury high, Greensboro high, Thomasville high, and Mt. Airy high, and winning from Davidson College freshmen. In the nine matches Barium piled up a total of 246½ points, which was almost four times as many as the 62½ garnered by their opponents.

Results of the meets follow:
Barium 24, Thomasville 6.
Barium 27, Salisbury 8.
Barium 28, Greensboro 11.

TWO HIGHEST

Through the courtesy of the manager of the Playhouse Theatre in Statesville the two children at the Orphanage making the highest average in each grade are given a free pass to one picture show each month. In the past six months a total of 56 separate children have had the honor of being a guest at the theatre. A total of 140 passes have been issued in the past six months, but some of the children have had this distinction more than one time.

In fact, five of the boys and girls at Barium have been among the two highest every one of the past six months. These are Joe Ben Gibbs, Helen Thomas, Alice Jones, Nellie Johnson and Louise Wilson. Those receiving five tickets in this period include Hannah Price, Wootson Davis, Ruth Cole, Mary Adams, and Lucy Bryant. Ones receiving four tickets in six months have been Billy Everett, Emma Eudy, Howard Beshears, Lelia Johnston and Joe White. Those remembered three times have been Dallas Ammons, Scott Blue, Jacqualin Newnam, Tommy Linsday, Evelyn Coppedge, Jean Fletcher, Myrtle Mills and Lucile Burney. The eight receiving two tickets in three months have been Betty Lou Davis, John Ammons, Billie Ammons, Mott Price, John Lewis, Ed Cole, Eugene Shannon and Georgia Burgin. Twenty-five others have been among the two highest once in the last six months.

The two highest in each grade for the past six months are as follows:

First Month

First Grade—Hannah Price, Betty Lou Davis.
Second—Billy Everett, Scott Blue.
Third—Jacqualin Newnam, Stanley Smith.
Fourth—Bill Tyce, Tommy Linsday.
Fifth—Joe Ben Gibbs, Virginia Cranfill.
Sixth—Emma Eudy, Ruth Cole.
Seventh—Mary Adams, Howard Beshears.
Eighth—Helen Thomas, Edward Cole.
Ninth—Alice Jones, Nellie Johnson.
Tenth—Lelia Johnston, Lucy Bryant, Janie Lyons, Eugene Shannon.
Eleventh—Joe White, Louise Wilson.

Cottage News

SYNOD'S

Hello Folks,

We have two new boys at our cottage. Their names are James and Cecil Shepherd. They came from somewhere near Laurinburg.

We had about 15 sick in our cottage with the flu, but they are all well now except two.

We received our report cards and Dick Parrish and Mott Price got on the honor roll.

Marshal Norris' clothing people at Gastonia sent us some candy. We sure did enjoy it.

We had a basketball tournament up here.

Basketball season is over and we are looking forward to track. Our boys won over Concord in our last game.

One of our boys went to Alexander cottage.

BABY COTTAGE

Hello Everyone:

Spring is almost here and soon everything will be green. Some of our flowers are about to open and buds are on the trees.

Mama Girt has been sick for a long time and we wanted her real bad. Saturday morning she got up and we were so excited! You missed seeing a happy crowd by not being here when she came into the room where we were.

A few of the babies have been sick but we have only one at the Infirmary now. He is Dallas Ammons, but we guess he will soon be up.

While Mama Girt was sick her two sons and Murphy's wife came to see her. We were glad to have them because they were a great help for Mama Girt.

The days are getting warmer and we have a good time playing outdoors.

During Mama Girt's illness. Margaret Moore, a Woman's Building girl, came to help us.

Those in our cottage old enough to go to school missed our good time with Miss Turner. We stayed with her some. Miss Woods stayed with us, too. We like to have them both.

We have another sick baby since we wrote the above. Betty Joe Smith is now ill. We hope no one else gets sick. We hate to have her away from us.

—The Babies

ANNIE LOUISE

Dear Friends,

We are glad that the snow has all melted and that we are having spring weather.

Five of our girls had birthdays in February and enjoyed that good dinner in the dining room.

Martha Price and Helen Hawley received birthday cakes from their mothers. When we had our party they gave each of us a piece of cake and we enjoyed it very much.

We are sorry to lose two of our girls, Anna Turner and Billy Ammons. They are moving to Howard Cottage to make room for two new girls, Nita and Dorothy Shepherd, who came to join the big family here early in March. We shall miss our old friends, but welcome the newcomers.

We have two other new girls in our cottage, too. They are Lee and Helen Vinson, who came to Barium the early part of February. We hope all four of these will like to live with us.

We want to thank Mrs. Brigance for those beautiful Valentines she sent us.

We are to have the annual civic club supper here next Friday week, which happens to be Friday, the 13th. Three clubs from Statesville and two from Mooresville will be represented. Several of our girls are on the program for that night.

Mabel Billings, one of our girls, has entered the district music contest. She is to play in Salisbury next Saturday. All of us hope that she will win.

Miss McGeogan spent the week-end with her home folk and had a nice visit.

Meals Served by S. S.

Sunday Schools are to be congratulated upon having contributed $1,066.12 to the Orphanage in February, because the attendances were almost universally reduced that month because of bad weather and epidemics of measles, influenza and mumps in various localities. The February, 1936, receipts from the Sunday Schools were slightly better than those of January, and likewise were a shade greater than the Offerings for February, 1935.

Such statements as the above would never have been possible were it not for the fact that many additional Sunday Schools are now giving the Orphanage an Offering per month. And, this condition is going to improve as the months go by, as readers will probably have noticed in The Messengers of the last several months the names of other Sunday Schools joining in this regular assistance. There will be a number of others beginning the plan when the new fiscal year starts in April. Watch The Messenger for these names. Some have already notified officials that it has been voted to do this, but the names of these will not be disclosed until the April issue of the paper is published.

It is rather interesting that the Sunday Schools have contributed a regular total of $13,319.37 in the past 11 months, which is only $100.00 less than the Sunday Schools of the Synod sent the Orphanage in the 12 months of 1933-1934. In other words, the Sunday Schools will contribute over $3,000.00 more to Barium in monthly gifts than was given two years ago. That would possibly be a $4,000.00 increase except for the factors which have contrived throughout the entire year against good attendances, with a consequent reduction in the Offerings. The increase over last year to date is around $900.00.

The Sunday School per capita giving on February 29th was: Kings Mountain Presbytery 29.2c, Concord 26 6c, Fayetteville 19.7c, Winston-Salem 18c, Orange 17.8c, Albemarle 17.7c, Mecklenburg 14.2c, Wilmington 13.1c, and Granville 11c.

The actual cost of a meal at the Orphanage is a fraction over eight cents per child, but the figure of 10 cents per meal per person is used below to show how many meals could have been served with the Sunday School Offerings during the 11 months of 1935-1936 that concluded on February 29th.

February's income took a tumble - a great big tumble at that - for the February receipts were $1,164.04 less than the income in February, 1935. There's several reason for this. In February, 1935, $700.51 of Thanksgiving Offering was received, while $128.79 Thanksgiving Offering came last month. (Treasurers were more expeditious in forwarding the Thanksgiving Offering of last fall.) Another reason for the low receipts was bad weather; people couldn't get to Church, Sunday School, or Auxiliary meetings.

And then, too, maybe the treasurers were waiting to make a big showing in March, which is the Loyalty Month. Maybe they reasoned thusly: "I'll just hold what I have and send it all in at one time." Officials like to think that it was the latter and that the receipts in March will rollick along to a great aggregate. No matter what the cause, it was a small income. That's undeniably true as can be testified by those who have to meet salaries and current obligations at the Orphanage.

Albemarle Presbytery gave the largest per capita amount in February. It was 4.9 cents per member with Concord coming next with 4.2 cents. In looking at the February, 1935 table of receipts it is learned that Concord, Kings Mountain and Wilmington Presbyteries made better reports last month than in the corresponding month a year ago.

BASKETBALL TOURNEY

(Continued From Page One)

She accounted for 53 points in the four games in which she participated. At times she played forward and guard and had she been in a forward position throughout the tournament she undoubtedly would have had more points. A teammate, Brown, scored 43 points for second honors; Lassiter of Paw Creek had 40; E. Reynolds of Scotts was credited with 34 and Keistler of Paw Creek accounted for 33. Lassiter and Keistler, both of Paw Creek, played in only three games.

Charlie Brown, of Catawba, was high scorer among the boys' quintets. He was responsible for 54 of Catawba's total of 92 points for the tournament. Runner-up was Boyd, Sharon, with 35. Others in the first five were Paxton, Sharon with 33; Sullivan, Sharon, with 25, and Moose, of Scotts, with 24. All of these played in four games, with the exception of Moose, who participated in three.

Fay Brown and Charlie Brown, both of Catawba and brother and sister, won the foul-shooting contest. The former was tied up with R. Ratcliffe, of Huntersville, in the first trials, these two girls getting 18 out of 25 attempts. However, the Catawba girl won in the run-off, caging 22 goals out of 25 tries. Charlie Brown was able to get 21 out of 25 attempts. These two were presented trophies after the finals of Monday night. Other awards consisted of loving cups to the winning teams, miniature gold basketballs to individual members of the winning teams, and silver basketballs to the individual performers on the losing crews in the finals.

After the tournament officials selected all-tournament teams. The girls' sextette was composed of M. Rhoney (Banoak) and Brown (Catawba) forwards; Miller (Mocksville), jumping center; Long (Catawba), side center; Janie Sherrill and Jennie Sherrill, both of Scotts and twin sisters, guards. Honorable mention was given to Little (Catawba), Reynolds (Scotts), Lassiter, Griggs and Keistler (Paw Creek), Nisbet (Woodleaf).

The boys' all tournament team was made up of McGinnis (Maidon) and Paxton (Sharon), forwards; Brown (Catawba) center; Boyd (Sharon) and Graham (Mt. Ulla) guards. The six honorably mentioned were Moose (Scotts), Sullivan (Sharon), Howell (North Brook), Arndt (Ball's Creek), (Shook (Mt. Ulla), and Harris (Catawba).

Results of the first three days of the tournament follow:

Preliminaries

Girls —Catawba 26, Cornelius 12; Prospect 28, Troutman 16; Celeste Henkel 26, Stony Point 15; Mocksville drew a bye when Sherrill's Ford failed to appear; Paw Creek 33, Winecoff 13; Woodleaf 23, Huntersville 11; Scotts 33, Valdese 3, Ball's Creek 22, Cool Springs 10.

Boys—Berryhill 20, Troutman 9; Mt. Ulla 24, Union Grove 17; Maiden 33, Winecoff 7; Prospect 20, Catawba 18; Sharon (Mecklenburg) 15, Woodleaf 11; North Brook 25, Sharon (Iredell) 15; Scotts 17, Huntersville 4; Ball's Creek 28, Long Creek. 19.

Quarter-Finals.

Girls—Catawba 33, Banoak 29 (with Catawba's consent Banoak girls were invited into the tournament when Prospect withdrew); Mocksville 29, Celeste Henkel 15; Paw Creek 31, Woodleaf 30; Scotts 18, Ball's Creek 7.

Boys—Mt. Ulla 25, Berryhill 17; Catawba 24, Maiden 17 (Catawba, which was defeated the night before by Prospect, was invited back into the tournament when Prospect withdrew); Sharon (Mecklenburg) 31, North Brook 21; Scotts 22, Ball's Creek 15.

Semi-Finals.

Girls—Catawba 32, Mocksville 28; Scotts 29, Paw Creek 23.

Boys—Sharon (Mecklenburg) 28, Scotts 20; Catawba 25, Mt. Ulla 24.

Income Distribution

Of the $2,065.00 received regularly from the Synod last month $433.14 was given through the church budgets, $1,066.12 through Sunday School Offerings and $547.93 through the Auxiliary. The percentage distribution was 51.5% from the Sunday Schools, 27.5% from the Auxiliaries, and 21% from the church budgets.

In the past 11 months a total of $30,100.52 has been received regauarly. Sunday Schools have been responsible for $13,319.37 of this, or 44.3%; the church budgets have sent $10,059.61 or 33.4%; the Auxiliaries have contributed $6,723.73, or 22.3% of the Orphanage's total income (Thanksgiving Offering excluded).

Churches in Mecklenburg Presbytery have appropriated $2,520.58 to the Orphanage for the largest amount of any Presbytery; Sunday Schools in Concord Presbytery lead with a total of $2,620.86, and Auxiliaries in Orange Presbytery have sent $1,300.61 to be leader in that field.

The income for the past 11 months is distributed as follows among the nine Presbyteries and the three main sources of receipts:

Presbytery	Ch.	S. S.	Aux.
Albe.	$ 572.89	$ 694.89	$ 963.53
Concord	1897.92	2620.86	789.28

give it to the Lord.

In telling his hearers how to avoid making a tramp out of God, Mr. Cook referred them to Romans 12:1, "I beseech you therefore, brethren, by the mercies of God, which is your reasonable service." "We're calling upon Christians," he said "to experience consecration, which is the means of giving yourself unreservedly, seeking first the Kingdom of God."

Dr. Johnson spoke upon "Evangelism," with special emphasis upon the importance f witnessing Christians. He pointed out that the world is suffering from a moral crisis, that wherever "you go men realize that we have been playing with religion," which

(Continued On Page Four)

statement was preliminary to his conviction of the dire need of people who will witness for Christ. "There's an apathy along this line that is appalling," he stated. The Charlotte minister told of a statement once made that "this corpse has been a member of this church for 40 years," and also recounted a newspaper account which told of a man who left his office with $2,000. He was waylaid by robbers and in reporting his demise the following day the reporter told that the man had deposited the money before starting home so he "happily lost only his life."

"This thing of witnessing for Christ," he said, "must begin in the hearts of men and women who have been saved by the blood of Jesus Christ." He felt that no one can be a true witness unless they have been born of a personal experience. "You must be able to talk from something that has meant much to you, something that you'll be sure to tell others. You must embrace the opportunity close at hand, beginning with the man next to you, beginning with the man that you will see tomorrow.

"You must use the weapons that God has provided and the greatest weapon is the sword of the Spirit. It can do the work. You can't argue men into the kingdom of God; it is the will you have to combat and not what a man knows." As a final necessary factor in effective witnessing Dr. Johnson said that people must have a "realization of the importance of the thing they are trying to do, that they must know that they are dealing with men who cannot die. Such a realization of importance comes through an individual having a vision of inspiration and they must be under the direction of the Holy Spirit. God only asks us to do our part; the Holy Spirit does the rest."

In closing he said "this thing can be done, it must be done, but it must begin in the hearts of those who have a saving knowledge of Jesus Christ."

After adjournment the visitors made a free will offering for the Orphanage, to be applied toward the cost of the supper. The total was $24.70.

ROOF OF STEAM PLANT

(Continued From Page One)

fore the fire was put out, there was a gang of boys tearing the remnants of that roof away. It had to be carefully done so that it would not damage the steam lines, or other things in the boiler room. It was dangerous also.

In the meantime our carpenter, Bob Nesbit, was making out a bill of lumber, and other materials for rebuilding this roof. Mr. Lowrance was busy getting material rolling with which to do the job. Mr. Grier had cleared up the wreckage of the electrical appliances connected with the automatic stoker and the water circulating system and had commenced the repairing of this. By 11 o'clock re-building had commenced. Several of our men workers had gotten hold of tools and were making motions as though they were carpenters. Two other carpenters had been acquired, and saws and hammers commenced to take the place of numerous wrecking tools that had been used in clearing away the charred roof timbers. By six o'clock Saturday afternoon, enough of this roof was on so that we had no fear of the weather, even if it should turn around and snow as the weatherman had predicted.

As usual, our neighbors did everything they could to help us. The superintendent of the prison camp near Barium came over and offered us the use of as many tarpaulins as we could use to temporarily cover the boilers. When he was told that we expected to put the roof on before night, he looked at us as though we were slightly "teched" but said that we could get the tarpaulins anyhow. Well, we did use part of them. Everybody on the place had commenced to hedge against privation on Sunday, and when they heard the steam coming into the pipes that restored the heat on the buildings they could not understand just what had happened.

When the fire was in progress Saturday morning, we all had visions of a cold, miserable Sunday ahead of us, with a full force of hands working desperately to get our heating plant in commission, with Church and Sunday School suspended, and the Sabbath day broken into doing a very necessary job of mercy.

Instead of that picture, we had our Sunday School and Church in comfortable buildings and unless you went to the boiler house, you would not have known that there had been a fire the day before. The reason of this is because there are such people on the staff at Barium as Mr. Lowrance, Mr. Grier, Mr. Nesbit and a whole force of loyal men and boys who don't mind pitching in and going the second and third mile when necessary to do a big job.

The actual damage in money is covered by insurance. All the insurance money in the world, however, would not have kept the big family at Barium Springs comfortable, if our heating plant had stayed out of commission. It was the intelligent hard work of these men who kept our family from even being momentarily uncomfortable, and that is the finest insurance that Barium Springs or any other institution could carry. All the groups of boys on the place were anxious to help. It fell to the farm group to do the job.

Mr. Milton had an insurance man down to take stock of the damage, so in the space of all this haste everything was done in order.

To have a fire destroy a building and to rebuild that building the same day with less than four hours' interruption of its service is something maybe Ripley should know about!
